Ireland May 28th to June 7th 2015

Early registration, and Explorer discounts apply for this Adventure received only before December 30th, 2015

Constantly changing in moisture filled light as the ocean is reflected off this landscape, I invite you to join me in traveling to this place where a misty softness blankets this isle everyday. An artists challenge it is, but well worth the effort of capturing the charm on canvas, photography or with words. Join me on this trip of a lifetime that is sure to make you want to return again and again.
